

**COMMONWEALTH OF KENTUCKY**

**FERROUS AND NON-FERROUS METALS REPORT FORM**

KRS Chapter 433 requires all purchasers of certain non-ferrous and all ferrous metals to record the seller's information, including a copy of the seller's valid state issued driver's license or other government-issued personal identification and information about the vehicle in which the material is transported, and maintain that record for production to law enforcement. **Attach a copy of the seller's personal identification to this record unless otherwise required by statute.**
